DEQ Schedules Public Meeting on the Drinking Water State Revolving Fund State Fiscal Year 2014 Intended Use Plan

The Water Quality Division of the Department of Environmental Quality (DEQ) will hold a public meeting at 1:30 p.m., Friday, May 24, 2013, at the agency's Oklahoma City office, located at 707 N. Robinson. The meeting will take place in the Multi-Purpose Room on the first floor. The goal of this meeting is to answer questions and receive public input on the State Fiscal Year (FY) 2014 Intended Use Plan (IUP), the Priority Ranking System, and the Project Priority List (PPL) for the Drinking Water State Revolving Fund. The IUP outlines uses for federal funds allocated to Oklahoma and lists the projects as ranked for funding by the Priority Ranking System.

The Drinking Water State Revolving Fund was made possible by the passage of the Safe Drinking Water Act Amendments of 1996. The act authorized funds to be used by states to establish a revolving loan fund to address drinking water infrastructure needs and correct other water system deficiencies that might result in violations of drinking water standards. Federal law requires the public be given the opportunity to comment on the proposed plan.

A copy of the draft plan will be available on the DEQ website at: www.deq.state.ok.us/WQDnew/dwsrf/. A copy may also be obtained by contacting Vicki Reed at (405) 702-8100 or Vicki.Reed@deq.ok.gov or by mail at:
