

## **Public Meeting to Discuss Draft General Industrial Discharge Permit**

---

The Department of Environmental Quality (DEQ) will be holding a public meeting to address comments received from the public followed by an informal question and answer session concerning the:

### **Draft General Permit (OKG95) For Rock, Sand and Gravel Quarries and Stone Cutting Facilities**

The public meeting will be held at:

2:00 P.M., Monday, March 12, 2018  
Oklahoma Department of Environmental Quality  
1<sup>st</sup> Floor Multipurpose Room  
707 North Robinson Ave., Oklahoma City, OK 73102

Copies of the draft General Permit and Fact Sheet that was publicly noticed on January 19, 2018 may be reviewed during normal business hours at the Water Quality Division, DEQ Office, 707 North Robinson, 8<sup>th</sup> Floor, Oklahoma City, Oklahoma 73102. Copies of this proposed permit may be obtained from the DEQ website at <http://www.deq.state.ok.us/mainlinks/publicpermits.html>.

DEQ anticipates further modifying the draft permit prior to the public meeting on March 12, 2018. These modifications will address the questions and concerns received during the public comment period. Upon request, DEQ will email this modified draft permit to interested parties for review prior to the public meeting. To request a copy of the modified draft permit, please submit an email address to one of the contacts listed below. DEQ will attempt to email the modified draft permit to all interested parties by March 2, 2018.

All permittees will be notified by mail of this public meeting and made aware of the opportunity to obtain a modified draft permit.
