

**TITLE 252. DEPARTMENT OF ENVIRONMENTAL QUALITY
CHAPTER 631. PUBLIC WATER SUPPLY OPERATION**

**SUMMARY OF COMMENTS AND RESPONSES
COMMENT PERIOD: August 15 through September 15, 2017.**

COMMENT: Public Water Supply Definition. You might consider a new definition of “consecutive system” that includes an exemption for manufactured home communities, similarly to mobile home parks. A lot of states have adopted similar language pursuant to the EPA. –*Manufactured Housing Association of Oklahoma*

RESPONSE: DEQ has met with the commenter and has agreed to add manufactured home communities to the list of exempted consecutive systems in the new PWS definition. . However, all other language will remain in order to meet federal regulations.
